

GET READY FOR YOUR VIDEO EDITORIAL DEMONSTRATION IN OUR DEDICATED SCREENING ROOM

The International Classic Film Market proposes three video meetings to present to professionals your news and video line-ups.

In a 15-minute show - including talks, trailers and video excerpts - you introduce your next releases, your line-up or highlight a recent restoration or your catalogue.

These meetings take place in a 150 seats screening room, equipped with a 2K digital projector and a scope-size screen (7 m. width).

THE MEETING OF VIDEO PUBLISHING

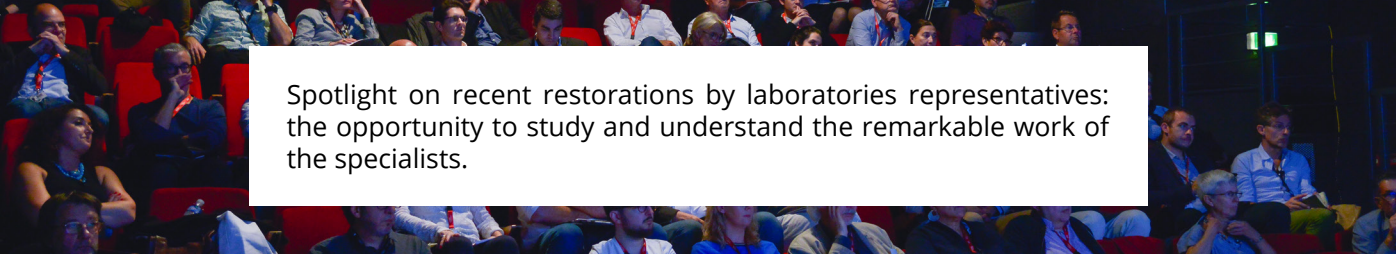

October, Tuesday 16, 16:30-19:00

MIFC proposes this new meeting dedicated to DVD / Blu-ray / VOD issues. This presentation takes place in a special day, with several encounters talking about video publishing contents.

THE MEETING OF LABORATORIES

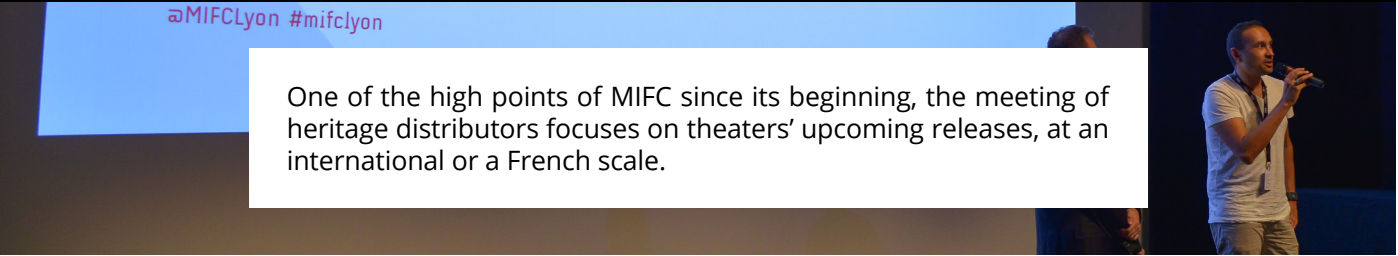

October, Thursday 18, 10:00-12:00

Spotlight on recent restorations by laboratories representatives: the opportunity to study and understand the remarkable work of the specialists.

THE MEETING OF HERITAGE DISTRIBUTORS

October, Friday 19, 9:00-13:00

One of the high points of MIFC since its beginning, the meeting of heritage distributors focuses on theaters' upcoming releases, at an international or a French scale.
